

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

SB 174

April 22, 2021

SUMMARY OF BILL: Requires the Commissioner of the Department of Education (DOE) to obtain approval from the State Board of Education (SBE) for changes to school or local education agency (LEA) performance goals and measures. Requires the Commissioner of DOE to convene a working group prior to submitting a proposal to SBE to change performance goals and measures for schools and LEAs.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- This analysis assumes that the working group will only discuss fundamental changes in how performance goals and measures are calculated and determined and that any meeting of the working group will occur during legislative session; therefore, any increase in state expenditures for per diem and travel reimbursements to members of the General Assembly are considered not significant.
- Establishing the proposed procedure prior to a change in the formula used to calculate performance measures and goals will not significantly affect operations at SBE or DOE and can be accomplished within existing resources. Any fiscal impact is estimated to be not significant.
